SINCE 1984

ABOUT US

It all started back then in 1984 when Hyderabad was called the capital city for biscuit industries in India & was the hub of several multinational biscuit manufacturing companies. On identifying the growing demand & unconditional love for biscuits in the city of Hyderabad, **Mr. Soma Suresh Kumar** took the first step of his 35 years long journey.

He founded Biking Food Products Pvt. Ltd., a biscuit and cookie manufacturing facility under the Sumo Group of Companies that is today a leading producer of biscuits and cookies in the local, regional & international markets. Among our popular brand names are **Sumo, Brookes** & **King.**
